WELCOME ADDRESS

The Executive Chairman, Adamawa State Planning Commission expressed her gratitude to His Excellency, the Executive of Governor of Adamawa State for making it possible for citizens to participate in the budget process of the State. She commended the turnout of participants and urged them to contribute meaningfully on areas that need urgent government intervention due to the effect of Covid-19 pandemic. She further highlighted the objectives of the citizens engagement as follows:

- i. To enable the citizens, understand the budget process.
- ii. To abreast them on how public funds are generated and utilized.
- iii. To gather citizens' inputs for inclusion into the 2020 Revised Budget
- iv. To create synergy between the citizens and the government for good governance

PRESENTATION:

The Permanent Secretary, Adamawa State Planning Commission briefed the participants on the importance of the engagement meetings which is on the effect of COVID-19 pandemic. She explained what constitutes public funds and how they are utilized. She further highlighted that, the State has already passed its 2020 budget earlier this year with a budget size of N183,343,414,331 consisting of N85,935,706,075 as recurrent expenditures while N97,407,708,256 was for capital development. The recurrent expenditure estimates were made up of personnel cost (N36,547,202,967), overhead cost (N30,305,721,411) and consolidated

revenue funds charges i.e Pension, Gratuity, etc. N19,082,781,700.00 . However, the effect of COVID-19 has made the realization of the projected revenue unattainable hence the need for a Revised budget. The Revised Budget is intended to cater for COVID-19 pandemic related projects and programmes.
