

ADAMAWA STATE CITIZEN ENGAGEMENT TOWNHALL MEETING REPORT FOR SOUTHERN AND CENTRAL ZONE.

Introduction: -

The Citizen's Engagement Town Hall Meeting is aimed at sensitizing stakeholders towards preparing a robust and all-inclusive budget for the year 2024. Citizens Engagement is a form of interaction between Government and its citizens, it can take place at any stage of development or implementation of Government policies and triggered by events.

Citizen's engagement can lead to a range of outcomes, including more effective service delivery, more responsiveness and accountability to its citizens; therefore, citizens play a critical role in advocating and supporting to make public institutions more transparent, accountable, effective and to contribute innovative solutions to complex developmental challenges.

More so, it helps government achieve improved developmental results by creating links between citizens, improved public service delivery, public financial management, good governance, social inclusion and empowerment to its people.

The Town hall meeting was organized and conducted by the Adamawa State Ministry of Budget and Economic Planning. The meeting was attended by cross section of stakeholders including Local Government officials, Civil Society Organization (CSOs) Women and Youth Leaders, Community Leaders, religious leaders, representatives of people living with disabilities etc. within the State. The purpose of the meeting is to enhance citizen's participation and engagement in the 2024 budgeting and economic planning processes at both the state and local government levels. The focus this time was on Numan, Demsa, Gombi, Yola North and Song Local Government Areas (LGAs) of the State.

The meeting began with Registration of participants, reciting of the National anthem, Introduction, remarks by Honourable Commissioner Ministry of Budget and Economic planning, remarks by the Honourable Chairmen of the LGAs present during the engagement.

In his Opening Remark the Hon. Commissioner, Ministry of Budget and Economic Planning, Anthony Emmanuel Piridimso. Welcomed all the Participants to the 2024 Citizen's Engagement/ Town Hall Meeting here in the State and gave his speech as thus: I am honored to stand before you today as we come together to discuss our various concerns, ideas, and aspirations of our communities. This gathering of residents, local leaders, and stakeholders is a testament to our commitment to creating a vibrant and prosperous Adamawa State.

First and foremost, I would like to express my sincere gratitude to all of you for taking the time out of your busy schedules to be here today. Your presence signifies a shared belief in the importance of citizens engagement and active participation in the development and future of our LGAs. It is through event like this that we can foster a culture of collaboration, transparency, and inclusiveness.

In order to build a stronger Adamawa Community, we must ensure that the voices and ideas of citizens are heard and valued. This town hall meeting provides us with an invaluable opportunity to engage in a constructive dialogue, exchange ideas, and collectively work towards finding solutions to the challenges we face, by fostering an open and respectful environment, we can create a sense of unity and purpose that will guide our actions moving forward.

Today, we have the chance to discuss a wide range of topics, including but not limited to:

1. Infrastructure development: Enhancing roads, bridges, schools, and healthcare facilities to provide better quality of life for all residents.
2. Economic growth: Creating an environment that attracts investment, supports local entrepreneurship, and generates sustainable job opportunities for our youth.
3. Social welfare: Addressing poverty, promoting gender equality, empowering the vulnerable populations, protecting the rights of individuals, and fostering a harmonious and inclusive society.
4. Education and youth development: Improving the quality of education, providing access to skill-building programs, and empowering our youth to become active contributors to society.
5. Environmental sustainability: Preserving our natural resources, tackling climate change, and promoting environmentally-friendly practices for greener and more sustainable LGAs.
6. Security and safety: Strengthening the security apparatus, fostering peaceful coexistence, and ensuring the safety and well-being of all residents.

I encourage all of you to actively participate in the discussions today. Share your thoughts, concerns, and ideas freely. Let us work together to find innovative and actionable solutions that will shape the future of our Local Government Areas and state at large. Your input is crucial, and will guide us as we prepare for 2024 Budget.

Today, let us strengthen the bonds that unite us and foster a collective spirit of progress. I have full confidence that through our commitment to citizens engagement, we can bring about positive change, create a thriving Adamawa State, and improve the lives of every resident.

Thank you once again for your participation as I look forward to the fruitful discussions and collaborations that lie ahead. Together, let us shape the future of our beloved communities and State as a whole. Thank you and God bless!

GOODWILL MESSAGES:-

The representative of the various LGA Chairmen and other stake holders applauded the present administration of Governor Ahmadu Umaru Fintiri for the initiative to engage its citizens in the Budget process. They also appreciated the turnout of stakeholders and other participants urging them for continuous support in contributing their views on developmental issues by providing input that will move both the LGAs and the state government forward, adding that, when making inputs, the participants should not be self-centered but make inputs based on the communal needs as we all represent our communities for projects proposal for inclusion into the proposed 2024 budget.

PRESENTATION:-

The Director Economic Planning, Ministry of Budget and Economic Planning, Mr. George Sha'a briefed the meeting on the importance of citizens' participation in Budget Process. He said, time has moved from Government deciding for the people to ensuring that Budget reflects what the citizens want. This forum is necessary for Government to focus on the citizens' needs, priorities and plan the Budget to reflect these needs and priorities. Further in his presentation, he urged the stakeholders to express views on developmental issues that have direct bearing on the people of the communities, adding that citizens Engagement was put in place to cater for citizens of the state using the Bottom-Up approach system of Budget preparation. This inclusive novel budgetary system covers the needs and yearnings of citizens in the state including those of the rural areas as well as the urban dwellers; he therefore called on participants from the various LGAs to earnestly give their inputs so that their needs can be captured in the 2024 capital budget of Adamawa State.

Objectives:-

The main objectives of the 2024 Citizen Engagement town hall meeting were as follows:

- a. Seek inputs and feedback from the citizens regarding their priorities and aspirations.
- b. Raise awareness about Government's Budgeting and Economic Planning processes.
- c. Foster dialogue between Government officials and citizens to enhance collaboration.
- d. Improve Transparency and Accountability in decision-making process through citizens' engagement.

From the deliberation with citizens, the following proposed priority projects were identified.

Recommendations:-

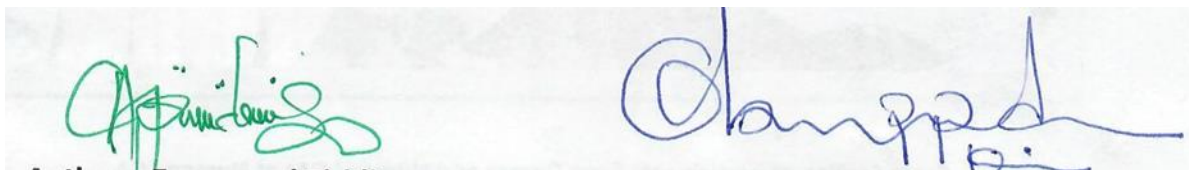

- a. Citizens expressed a strong desire for increased investments in infrastructure development, particularly road networks, schools, Water and healthcare facilities at their LGAs
- b. The need for agricultural support programs, including access to modern farming techniques, inputs, and markets, was repeatedly highlighted by attendees.
- c. Environmental conservation and renewable energy projects were identified as important areas for future development, showcasing the citizens' commitment to sustainability.

Education and skills development initiatives were emphasized, with a focus on improving access to quality education and vocational training opportunities for youths.

Conclusion:-

The 2024 Citizens Engagement Town Hall Meeting conducted by the Adamawa State Ministry of Budget and Economic Planning for Numan, Demsa, Gombi, and Song LGAs served as an exceptional platform for citizens to engage with the Government on matters of budgeting and economic planning. The meeting successfully achieved its objectives by fostering dialogue, raising awareness, and ensuring transparency.

The inputs, concerns, and expectations expressed by the citizens during the meeting will provide valuable guidance to government officials for the formulation and implementation of the local government budgets and economic plans. The Ministry of Budget and Economic Planning is committed to incorporating citizen feedback and enhancing citizen participation in future decision-making processes, thereby strengthening the bond between the government and its constituents.

Hon. Anthony Emmanuel Piridimso
