

ADAMAWA STATE CITIZEN ENGAGEMENT TOWNHALL MEETING REPORT FOR SOUTHERN, NORTHERN AND CENTRAL ZONES

Introduction: -

The concept of citizen engagement in budgeting has been gaining traction globally as a means to democratize fiscal policy and ensure that public funds are used effectively. This is an approach to Empower citizens and Helps to build trust between the government and the communities. In 2024, various cities and municipalities have adopted this model globally to address budget shortfalls and to prioritize spending in a way that aligns with public expectations.

The primary goal is to gather public feedback on their project needs which they want the Government to cover in the State and LGA budget.

This is intended to help government (State and Local governments) to make informed decision about allocating funds to various services and projects.

The 2025 Public Budget Consultation/ Town hall meeting was attended by cross section of stakeholders including Local Government officials, Civil Society Organizations (CSOs) Women and Youth Leaders, Community Leaders, religious leaders, representatives of People with Disabilities (PWD), etc. across the 21 LGAs of the State. The purpose of the meeting is to enhance citizens' participation and engagement in the 2025 budgeting and economic planning process at both the state and local Government levels.

The meeting began with Registration of participants, reciting of the National anthem, Introduction, remarks by Honourable Commissioner Ministry of Budget and Economic planning, remarks by the Honourable Chairmen of the LGAs present during the engagement.

In his Opening Remarks, the Hon. Commissioner, Ministry of Budget and Economic Planning, who was ably represented by the **Permanent Secretary Mr. Makallan Akila**. Welcomed all the Participants to the 2025 Citizens' Engagement/ Town Hall Meeting here in the State and gave his speech as thus: It gives me great pleasure to welcome you all to the 2025 Citizens Engagement /town Hall Meeting in Adamawa State. Today, we have gathered here to harness your valuable inputs and to increase transparency and accountability in the budgeting process by involving citizens in decision-making. However, the following can be seen as some of the objectives of this citizens' engagement/ town hall meeting;

Town hall meeting allow citizens to have a clear understanding of the budgeting process and how public funds are allocated.

It provides a platform for citizens to voice their opinions, concerns, and priorities for the upcoming Budget.

It increases transparency and accountability in the Budgeting process by involving citizens in decision-making.

Also gather feedback from citizens on how well previous budgets have addressed their needs and issues.

It improves citizens' participation and involvement in Local Governance and decision-making.

It builds trust and strengthen the relationship between the Government and the community.

It ensures that the budget reflects the needs and priorities of all residents, including marginalized and underrepresented communities.

it identifies innovative solutions and ideas from citizens that can improve the effectiveness and efficiency of public spending.

This Town Hall Meeting is an opportunity for us to engage in meaningful dialogue, to hear your suggestions, concerns, and aspirations for the future of Adamawa State and Nigeria at large. Together, we can work towards building a more prosperous, inclusive, and sustainable community.

I would also like to commend the efforts of His Excellency the Executive Governor of Adamawa State, Rt. Honourable Ahmadu Umaru Fintiri in addressing critical issues such as Education, Health and WASH sectors also appreciating Ministry for Local Government Affairs and State2State(USAID) for their support to ensuring the successful conduct of Citizen's Engagement in the State.

I urge each and every one of you to actively participate in today's discussions, share your ideas and experiences, and I am committed to ensuring that your voices are heard and your priorities are reflected in our budget planning processes.

Thank you for being here today, and I look forward to a productive and engaging session with all of you.

Permanent Secretary Ministry of Budget and Economic Planning

Permanent secretary Ministry for Local Government Affairs Message

Comrade Abbas Kiri

I understand the importance of involving the public in the budgeting process. Your inputs and feedback are invaluable in ensuring that the budget reflects the needs and priorities of the people. I encourage you to express your thoughts and concerns openly and constructively during the consultation. Your voices matter, and they will help guide our decisions in allocating resources and implementing programs that benefit all residents of Adamawa State.

I want to assure you that we are dedicated to transparency, efficiency, and effectiveness in the management of public funds. Your input will help us achieve these goals and ensure that the budget serves the best interests of our communities. We must appreciate the efforts of His Excellency Rt. Hon. Ahmadu Umaru Fintiri for creating an enabling environment to adopt global Public Budget Consultation using the Bottom – Top approach in the State.

Thank you for your participation in this consultation, and I look forward to a productive and engaging discussion today.

Permanent Secretary Ministry for Local Government Affairs

GOODWILL MESSAGES:-

The representative of the various LGA Chairmen and other stake holders applauded the present administration of Governor Ahmadu Umaru Fintiri for the initiative to engage citizens in the Budget process. They also appreciated the turnout of stakeholders and other participants urging them for continuous support in contributing their views on developmental issues by providing input that will move both the LGAs and the state government forward, adding that, when making inputs, the participants should not be self-centered but make inputs based on the communal needs as we all represent our communities for projects proposal for inclusion into the proposed 2025 budget.

PRESENTATION:-

The Director Economic Planning, Ministry of Budget and Economic Planning, Mr. George Sha'a briefed the meeting on the importance of citizens' participation in Budget Process. He said, time has changed from Government deciding for the people to ensuring that Budget reflects what the citizens want.

This forum is necessary for Government to focus on the citizens' needs, priorities and plan the Budget to reflect these needs and priorities. Further in his presentation, he urged the stakeholders to express views on developmental issues that have direct bearing on the people of the communities, adding that citizens Engagement was put in place to cater for citizens of the state using the Bottom-Up approach system of Budget preparation. This inclusive novel budgetary system covers the needs and yearnings of citizens in the state including those of the rural areas as well as the urban dwellers; he therefore called on participants from the various LGAs to earnestly give their inputs so that their needs can be captured in the 2025 capital budget of Adamawa State.

Objectives: -

The main objectives of the 2025 Citizens Engagement/town hall meeting were as follows:

- a. Seek inputs and feedback from the citizens regarding their priorities and aspirations.
- b. Raise awareness about Government's Budgeting and Economic Planning processes.
- c. Foster dialogue between Government officials and citizens to enhance collaboration.
- d. Improve Transparency and Accountability in decision-making process through citizens' engagement.

From the deliberation with citizens, the following proposed priority projects were identified.
